CoPatient Announces New Partnership with Easy Drug Card

BOSTON, APRIL 7, 2015 -- CoPatient, a medical bill review and negotiation service, announced it has partnered with Easy Drug Card, a discount prescription drug card that helps individuals and families save money on their prescriptions.

CoPatient, which saves customers an average of more than $3,000 per medical bill, will now offer its service to Easy Drug Card's customers. In turn, Easy Drug Card customers will now have access to CoPatient's expert advocates, who have the knowledge, technology and experience to save them from unnecessary and excessive charges.

CoPatient customers will have access to Easy Drug Card's discount network of over 57,000 pharmacies. The Easy Drug Card is a prescription discount plan, which offers up to 75% off on prescriptions. They also offer a drug pricing tool and pharmacy locator to compare prices at different pharmacies.

Rebecca Palm, co-founder of CoPatient, said, "Easy Drug Card gives consumers the ability to save money on prescriptions. CoPatient gives consumers the ability to save money on their medical bills. Combined, we're putting money back into the pockets of consumers."

"Our partnership with CoPatient strengthens our mission to encourage individuals and families to take charge of their own healthcare and reduce their costs," said Marianne Morgan, Managing Director of Easy Drug Card.
